Elongated Or Rolled Out Cents

As a collector of rolled out cents, I find it very tiresome in writing other collectors and dealers to obtain varieties other than I have in my collection. I had to describe minutely those varieties I already had. I thought it would be a fine idea if I could make up an illustrated descriptive catalogue, with numbers of all rolled out cents.

To do this, I must have the wholehearted cooperation of ALL collectors. Correspondence with all collectors will be greatly appreciated.

To start the ball rolling, I here list those varieties I already have. In future sections, I will list varieties owned by other collectors if they send me description with rubbings or photographs.

Many collectors pay special attention to date and denomination of coin.

1. ABP V FOR PRESIDENT(bust front)ALTON B.PARKER
2. AC-1 H WORLDS PLAYGROUND(bldg.)AUDITORIUM ATLANTIC CITY
3. AC-2 H STEEL PIER-A VACATION IN ITSELF(steel pier)ATLANTIC CITY, N.J.
